

Form 5
Submission on publicly notified proposal for policy statement or plan
Clause 6 of First Schedule, Resource Management Act 1991

To : **Wellington City Council**

Name of submitter: **New Zealand Association of Radio Transmitters (Incorporated)**
P O Box 40-525
Upper Hutt

This is a submission on a proposed change to the following policy statement *or* plan:
Proposed Plan Change 74 to the Wellington City District Plan

The specific provisions of the proposal that our submission relates to are:

The application of the proposed plan change to the Amateur Radio Service

My submission is: **We oppose the application of the proposed plan change in its entirety to the Amateur Radio Service**

The reasons for our opposition are:

The proposed plan change in its entirety is unduly harsh and egregious in its application to the amateur radio service.

The proposed plan change fails to recognise the needs of the amateur radio service in respect of antennas, aerials and their supporting structures, poles and masts.

We **seek** the following decision from the local authority;

The council :-

exempts the Amateur Radio Service from the provisions of the proposed plan change, and

consults with the amateur radio fraternity and

considers and devises new definitions and rules for application to the amateur radio service which recognise the needs of the Service.

We **wish** to be heard in support of our submission.

If others make a similar submission, we will consider presenting a joint case with them at a hearing.
