6.3. is changed from

Operation on amateur bands between 5 MHz and 25 MHz is not permitted unless a person has held a General Amateur Operators Certificate of Competency for three months and logged 50 contacts during this period. The person must keep the logbook record for at least one year and, during this period, produce it at the request of the chief executive.

To become

6.3

Operation on bands between 5 MHz and 25 MHz is only permitted once person has either

- 1) **Logged 50 contacts, and held their general amateur operators certificate of competency for at least 3 months**
- 2) **Successfully completed a practical assessment demonstrating satisfactory competency of HF calling and response, operation, frequency and mode selection in accordance with recognized bandplans and interference mitigation measures to an ARX**
- 3) **Is under the direct supervision of a person that has already met the requirements in 1 or 2.**

6.4

Any person that has not yet achieved the permission granted by 6.3 must keep their logbook record for at least one year and, during this period, produce it at the request of the chief executive.

ZL2AJ clarified that it is up to the ARX to be ultimately responsible to judge competency, however they can delegate to exam supervisors to do the assessment as they do for the primary exam now.

09/11 Website update – ZL2WAL

ZL2WAL recommended we go live within the next two weeks at the latest.

The service that will allow the website to send emails will require an annual cost of \$49USD

Motion: That Council accept the ongoing annual cost of \$49USD for email purposes for the website.

Moved: ZL2DRV Seconded: ZL1HOG **Approved**

All of the emails forwarders have been reviewed and fixed.
 Xtra email service is being problematic when receiving emails from other services.
 DKIM and DMARC will be implemented to help solve this issue and certify NZART emails as safe and not spam.

ZL2WAL has advised that the server currently used for email reflectors and lists needs an upgrade and suggests moving email reflectors and lists to group.io service which would be \$20USD monthly. Or an annual fee of \$220USD receiving one month free for the lump sum payment.

Motion: That Council agrees to ZL2WAL's recommendation to move the email reflector server and the per annum cost involved and remove the current one.
Move: ZL2DRV Seconded: ZL2AJ

 ZL3TLB has written a NZART History Book and requires further decisions from Council.
 Advises a pre-order system and using print-on-demand to avoid unsold inventory.

A/P ZL2DRV to return to Craig within 2 weeks with an update on Council's decisions about the list of activities for the centenary.

A/P ZL2DRV to email the Auckland branches involved in the organization of the Centenary Conference to establish a main person of contact.

09/13 Conference 2025 update from ZL2LKW

ZL2LKW chairperson of the conference hosting committee for the Wellington Branches, reported that the annual conference will be held over Kings birthday weekend at the Lower Hutt events centre from the 30th May – 2 June 2025.

Discount codes will be made available for accommodation at the Sebel Hotel and the Angus Inn for all conference attendees. As yet no block booking has been made to accommodate Council.

ZL2LKW requested on behalf of the committee, that NZART pay the deposit of \$7,700 for the venue hire, which Council needs to discuss further, as this is outside the normal policy amount for seed money of \$3,000.

It was the intention of the committee to repay this amount as registrations come in.

Further analysis needs to be considered on the conference costs, therefore a meeting between NZART HQ and the committee needs to happen ASAP.

It is proposed that AREC panels will be held on the Sunday, with ZL4JY presenting an AREC forum.

ZL2TYR advised AREC could pay their share in advance.

Remit 1 Gisborne branch Technical Class License Transmitting Remit
Council approved the remit.

Remit 2 Branch Membership: - Constitutional Remit

1. That clause 6.3 (c) of the NZART Constitution (Conduct of Branch Affairs) be replaced with the following:
 - (c) A Branch may, by its constitution, provide separately for the admission of its own members and the levying of a subscription additional to the Association subscription, but must not admit to **full** membership any persons who hold a New Zealand Amateur Station Licence unless those persons are also members of the Association.
 - (d) Branches may also have associate members who shall be entitled to attend meetings and enjoy such other rights as the branch committee may prescribe, but who shall have no right to vote or to hold office in the club.
2. That clauses 6.3 (d) to 6.3 (f) be renumbered 6.3 (e) to 6.3 (g)

Council approved remit.

Remit 3 AREC becoming a Limited Liability

The Part 8 of the NZART Constitution be replaced by the following:

8.1 Amateur Radio Emergency Communications

- a. The Executive Council shall establish by regulation a Charitable Company to be known as the NZART Amateur Radio Emergency Communications Limited which, is entrusted to receive monies and grants from New Zealand Search and Rescue Council (NZSAR) and other entities and to use these funds in accordance with any conditions NZSAR and other entities attach to the grants while achieving paragraph 1.2.i. of the objects of the Association.
- b. Any Company so established shall be incorporated as a Charitable Company in accordance with the Companies Act 1993 and the Charities Act 2005.
- c. The Company's primary function will be to enable the delivery of emergency communications services.
- d. The Executive Council may establish by regulation a sub-group to be known as the Amateur Radio Emergency Communications (AREC) which, under the direction of the Executive Council, is entrusted with achieving paragraph 1.2.i. of the objects of the Association.
- e. Any sub-group so established shall be divided into AREC Groups as required under the control of an AREC Chief Executive Officer appointed by the Directors of the Charitable Company.
- f. Each Group shall be attached to a Branch as its home Branch but may cover multiple branches and the regulations are to provide generally for the mode of attachment and necessary policy and guidance to ensure national consistency with the delivery of AREC services.
- g. The regulations may also provide for matters which are to be left to the constitution of an individual Branch, provided that nothing is to be included in the regulations or any Branch constitution which could impair the operational efficiency of AREC.
- h. Members of AREC must also be Members of NZART although non-members of NZART may be Associate Members of AREC. Associate members shall be entitled to take part in AREC activities and enjoy such other rights as the AREC rules may prescribe but shall have no right to hold office in AREC or AREC Group.

After considerable discussion, it was agreed to amend clause h)

Motion for LLC remit: That AREC may not accept, as associate members, radio amateurs who are not members of NZART.

Moved: ZL2AJ

Seconded: ZL3TAO

Carried

ZL2TLL voted against this remit with ZL2DRV wishing to abstain.
